

Task-3

Greetings,

I hope you are very well and keeping safe. This is your next task for the rookies stage. It will be divided into two parts, too.

Part 1: Fill out this Form It's (MANDATORY)

[Feedback Form](#)

Part 2: Problem Solving

Solve the following problems using the programming language of your choice.

Here are the problems you need to solve:

1. [B. Print](#)
2. [C. Wonderful Number](#)
3. [D. Prime Function](#)
4. [F. Equation](#)
5. [L. New Array](#)
6. [I. Swapping With Matrix](#)

7. [K. Shift Right](#)
8. [O. Five in One](#)

For learning materials you can check out [ICPC Assiut Materials](#)

Ensure that you have organized your solutions properly within the "Task-3" folder.

That concludes our Third task for the rookies' stage. If you have any questions, feel free to ask. Happy coding! ❤️

Deadline:8.DEC.11.59 PM
